Upon expiration of the Term, Consultant shall promptly return to the Company all material that is owned by the Company under Section 5 below. The expiration of this Agreement shall not relieve Consultant of its obligations regarding Confidential Information under Section 9 below.

Section 3. Compensation. In consideration for Consultant’s services hereunder, Company agrees to issue Consultant shares of its Common Stock. All costs incurred by Consultant in connection with the performance of her duties to the Company shall be borne solely by Consultant.

All compensation paid to Consultant hereunder shall constitute earnings to Consultant from self-employment income. Company shall not withhold any amounts therefrom as federal or state income tax withholding from wages or as employee contributions under the Federal Insurance Contributions Act (Social Security) or any similar federal or state law applicable to employers and employees.

Section 5. Rights in Works. Consultant agrees that the Company shall be the owner of all material that is used by Consultant or developed for or by the Company in connection with the performance of any Services by Consultant. Consultant hereby assigns and agrees to assign in the future (when any such Inventions, as defined below, or Proprietary Rights, as defined below, are first reduced to practice or first fixed in a tangible medium, as applicable) to the Company all of Consultant's right, title and interest in and to any and all Inventions (and all Proprietary Rights with respect thereto) whether or not patentable or registrable under copyright or similar statutes, made or conceived or reduced to practice or learned by Consultant in performance or in connection with the Services, either alone or jointly with others, during the Term. As used herein, "Inventions" shall mean any trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, knowhow, improvements, discoveries, developments, designs and techniques; and "Proprietary Rights" shall mean all trade secret, patent, copyright, mask work and other intellectual property rights throughout the world.

Section 6. Non-Exclusive Services. The Consultant understands and agrees that the Company shall not be prevented or barred from retaining other persons or entities to provide services of the same or similar nature as those provided by the Consultant. The Consultant will take reasonable steps to determine and advise the Company of its position with respect to any activity, employment, business arrangement or potential conflict of interest which may be relevant to this Agreement, but Consultant shall not be obligated to conduct an exhaustive review of her activities or those of her clients to determine whether or not such a conflict exists.
